## ABOUT PRJ Yachts

PRJ BOATS, located in FORT LAUDERDALE area / Florida is one of the largest Nautical Centers in the United States. By designing boats (PRJ BOATS), our mission is to provide the highest standards of quality in the Boat Manufacturing's Industry. The extensive experience and knowledge of our team is a guarantee of our perfect services. We are working to find the better solutions adding luxury, comfort, and facilities in your Boat.

Pedro Camargo

Pedro Camargo sailed more than 120,000 miles around the world in power and sailing yachts as a Captain. Extensive experience in charter and private vessel management, trip advisor and construction.

Pedro Camargo has been a sailor since he was 6 years old when he got first place in a sailing competition. He grew up sailing and in contact with the sea. His contact with the sea from a young age turned him into a "man of the sea". Since then, he has won a lot of different competitions in many different categories around the world.

Then, to meet all those needs of customers, friends, and acquaintances. Despite that, he realized that there was no better place in the world to settle his business than United States of America.

There fore, he started his 2 companies - that have been his biggest accomplishment - PRJBOATS, in Fort Lauderdale, a Shipyard to build the perfect boats to fit in every single detail that he understand to be very important for the client needs and P&J Yachts, located in Miami with the purpose to manage all kinds of boats with excellence, knowledge, and perfection.
